Welcome

As I reflect on our successes of the past year, I am reminded that we are who we are because of the men and women that work for us. Without each of you, we would not be the collective company that we are today. Our employees truly are the lifeblood of our organization. I appreciate the work that you do and I am committed to providing benefit plan options that provide solid healthcare options for you and your family.

Last year, we embarked on a journey to harmonize our benefits offerings, with the goal of offering the same benefit options to employees across our family of companies. We are continuing these efforts and are excited to be fully harmonizing our medical plan offerings to employees at DBMG, Schuff Steel, Aitken, GrayWolf, DBM Vircon (domestic locations) and now Banker Steel Company and subsidiaries! Harmonization allows us to continue providing robust coverage, minimize cost increases for employees and offer additional coverage options.

I am especially excited to share that the Company will be providing an HSA contribution (\$400 employee/\$800 family) for employees electing coverage under the High Deductible Healthcare Plan. Other notable changes include:

- Hospital Indemnity
- Permanent Life
- Flexible Savings Account
- Dental Coverage Premium Decrease

We understand that this is a carrier change for our Banker Steel employees but are confident that these changes will serve you and your family well. This year our enrollment process is active for Banker Steel employees, meaning that your elections will not carry forward and you must enroll to have coverage in 2023. To assist Banker Steel employees in this transition, we will have Benefit Enrollment Specialists available, both on-site and via phone, to answer your questions.

For all other employees, it's a passive enrollment meaning that your elections will carry forward into 2023. Please note that you must enroll in Health Savings Account and Flexible Spending Account as enrollment in these plans cannot carry forward. All employees will enroll and make benefit changes using the same platforms that was used last year.

We will continue to offer generous dental and vision coverage as well as provide company paid basic life and disability insurance for employees. This year, we have added more options for you to purchase voluntary coverage, including hospital indemnity, permanent life and voluntary or spousal life insurance,

As we look ahead to 2023, I want to thank you for commitment and dedication. I'm continually humbled by your tireless efforts, and I am grateful to have you all part of the team.

Sincerely,

Rustin Roach

About this Guide

This guide highlights your benefits. Official plan and insurance documents govern your rights and benefits under each plan. For more details about your benefits, including covered expenses, exclusions, and limitations, please refer to the individual summary plan descriptions (SPDs), plan document, or certificate of coverage for each plan. If any discrepancy exists between this guide and the official documents, the official documents will prevail.

Medicare Part D Notice

If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a federal law gives you more choices about your prescription drug coverage. Please see your legal notices for more details.

Open Enrollment Instructions

Open Enrollment Dates

October 31st – November 11th

How to Enroll on Your Own

If you need to take action at this year's enrollment, be sure to visit Selerix at <https://trustmark.benselect.com/Enroll/Login.aspx> via your computer or smart phone. Selerix is the portal for your benefit information including your Summary Plan Descriptions, Summary of Benefit Coverages, and allows you to make benefit elections. To enroll, follow these steps:

1. At the "Employee Login" screen, enter your Social Security number and your identification number (PIN). Your PIN is a combination of the last 4 digits of your SSN and the 2-digit year of your birth. For example, if the last 4 digits of your SSN are 3214 and you were born in 1968, your PIN would be "321468".
2. When the Welcome Page appears on your screen you have successfully logged in. Follow the onscreen instructions to enroll in your benefits, find answers to your questions, download forms and more. Click Next to move to the next page. You can move from plan to plan by clicking next or clicking review.
3. Click You and Your Family to update personal information on yourself, your dependents, or beneficiaries.
4. When you have finished making your selections, click sign and submit to review & sign your enrollment form. To sign and submit your enrollment form you will need to enter your PIN and click sign form.
5. Once you have completed your enrollment, you will receive an email confirmation within 24 hours.

Benefits Education Specialist (BES) – NEW for 2023!

All benefit eligible employees have the opportunity again this year for a valuable one-on-one benefits education and enrollment experience with a Benefits Education Specialist (BES). All benefit eligible employees are encouraged to speak to a BES to enroll or decline benefits. Learn how Accident, Critical Illness and Hospital Indemnity coverage can help reduce your out-of-pocket medical expenses and how Universal Life can help protect your family from the financial impact of an untimely death and provide benefits for long-term care. You must speak to a BES to enroll in these benefits. During your meeting, the BES will explain all benefit options, answer questions, complete the online enrollment process and help you better understand how our available benefits fit you and your family's individual needs.

Use your phone's camera to scan the QR code below. Tap the notification to open the available schedule or visit <https://v3.rivs.com/schedule/dbmg/>

1. Enter the requested contact information
2. Select your location, desired appointment date and time
3. Finalize your appointment

LiveWise

We encourage you to check out our benefits website at <http://LiveWise.Info>. This site was designed with you in mind and provides you and your family with great information on all benefits DBMG offers!

Improved member experience makes benefits information convenient and simple.

Eligibility and Enrollment

Eligibility

Employees: eligible for DBMG benefits if a full-time employee who is working 30 or more hours per week.

Dependents: eligible based on the following guidelines:

- Your legal spouse.
- You or your legal spouse's eligible children up to age 26 regardless of marital or student status.
- Dependent children including natural children, stepchildren, foster children, adopted children, dependent children placed with you for adoption, and other children, for whom the courts have granted you legal custody of.
- Disabled Dependent Children – an unmarried child of any age who is incapable of supporting themselves due to a mental or physical disability and who are dependent on you.

What Happens If You Become Eligible for Benefits

When you are a newly hired employee:

You will receive an enrollment announcement with the opportunity to enroll in health benefits that are available to you. You have 60 days from your hire date to elect benefits.

When you are a newly eligible employee:

You will receive an enrollment package providing you with the opportunity to enroll in health benefits. A deadline will be outlined in the communication received in which you will need to complete your enrollment application to elect/reject benefits available to you. Additional documentation may be required to process your benefit elections.

Qualifying Life Events

You have 30 days from the date of any Qualifying Life Event to make a change to your current benefits.

Qualifying Events include:

- Birth / Adoption
- Child Status Change
- Death of a Dependent
- Marriage or Divorce
- Spouse Gains / Loses Coverage
- Team Member Loses Coverage

Important Terms

Health care can be difficult to navigate, and the jargon can further complicate your understanding of benefits. Here's a break down to help you better understand your benefits, bills and coverage.

Deductible

The amount you must pay out-of-pocket for medical expenses before the insurance company will cover any benefit costs for the year. If your deductible is \$2,000, your insurance plan will begin to help with payments once you've reached that amount. Review your plan to see which expenses count toward your deductible.

Remember, in-network preventive care visits are always 100% covered.

Out-of-Pocket Maximum

The most you would possibly pay out-of-pocket for covered services in a year. Once you reach your out-of-pocket maximum, your plan covers all eligible expenses.

Premium

This is the base amount you pay every month through a payroll deduction for health care coverage, whether or not you use the insurance.

Coinsurance

The cost share between you and the insurance company. Coinsurance is always a percentage totaling 100%. For example, if the plan pays 80%, you are responsible for paying the remaining 20% of the cost. The coinsurance applies only once the deductible has been met.

Copay

A flat fee paid to your provider at the time of service. You may spend more once you're there (as an example, additional tests, labs, etc.), but regardless, you still have to pay the flat fee. You might also pay copays for prescription drugs.

Claim

A medical IOU. When you visit providers, they will submit claims to your insurance company for the services you received (remember the tests and labs mentioned above?). Once your insurance pays its share, you'll receive a bill for the rest.

What's New or Changing?

We have added some new benefits and have made changes to some existing benefits for the 2023 plan year.

Changes for 2023

- UHC
- Medical Coverage
 - Designated Diagnostic Providers (DDP)
Designated Diagnostic Providers (DDP) are qualified freestanding and hospital lab facilities that meet requirements for providing quality and efficient services. When you choose a DDP for their outpatient lab services you will receive the highest level of benefit from your health plan. There is also a lower cost associated with seeing a DDP for outpatient lab services.
- Pharmacy Coverage
 - Prescription drug copays have decreased on both the \$500 Deductible and \$2,000 Deductible plan options.

Health Savings Account (HSA) - NEW for 2023!

- DBMG will be making an annual employer contribution of \$400.00 (Employee only coverage) and \$800.00 (Employee + Spouse, Employee + Child(ren) or Family coverage). This means that anyone who enrolls in the UHC HDHP will automatically have an HSA account opened. If you already have an HSA with Health Equity, deposits will be made into your active account.
- The employer contribution will be split with deposits being made in January and in July.

Voluntary Worksite

Mutual of Omaha Worksite benefits will now be administered through Trustmark. The Trustmark benefits include:

- Accident
- Critical Illness
- Hospital Indemnity
- Permanent Life

401K

The DBMG Employer Match has increased. Please see page 22 for additional details.

Anyone interested in enrolling in the Trustmark benefits will need to speak to a Benefits Education Specialist (BES). This includes anyone currently enrolled on the Mutual of Omaha worksite plans, as your benefits will not transfer over to the 2023 plan year.

Medical and Pharmacy

Medical Coverage will be moving to UnitedHealthcare beginning January 1, 2023. DBMG medical plan options include two POS plans, as well as a High Deductible Health Plan (HDHP). For complete benefit information, limitations and exclusions, please refer to your UHC Summary of Benefits and Coverage (SBC). The deductible(s), copays and coinsurance shown below are your responsibility.

UHC Resources

UHC Designated Network

Pay lower copays on the \$500 Deductible Plan Option

Choosing a care provider can impact the quality and cost of care you receive. With UHC, they have made it easier for you to find doctors who are right for you and your family.

Studies show that people who actively engage in their healthcare decisions have fewer hospitalizations, fewer emergency visits, higher utilization of preventive care and overall lower medical costs.

You can take an active part in your health by seeking out and choosing a Tier 1 (Designated Network) provider when you need care. Not only can you be assured you are receiving great care, but you will be saving money while doing so!

The Tier 1 (Designated Network) is designed so you pay less when you see a Tier 1 doctor or specialist. This list of Tier 1 providers is updated annually!

Preventive Rx

Covered in full on the High Deductible Health Plan (HDHP)

Preventive care benefits are an essential part of a comprehensive healthcare plan, including preventive medications. If you are choosing to enroll in the High Deductible Health Plan, effective January 1, 2023, preventive medications are covered in full, beginning on the first day. Below are a few examples of medical conditions for which medications would be included on the Preventive Rx Drug List.

- Breast Cancer Prevention
- Blood Clot/Platelet Therapy
- High Blood Pressure
- High Cholesterol
- Organ Rejection – Immunosuppressant
- Osteoporosis
- Birth Defects – Prenatal Vitamins
- Diabetes
- Asthma/COPD

For a comprehensive list, please see the full preventive care formulary at <http://LiveWise.info>.

TIER
1

Look for the Tier 1 blue dot when searching for a doctor on www.myuhc.com or the UHC app, and you may be surprised by how much you can save. Many of you are already seeing Tier 1 doctors!

Know Where to Go

Take control of your health care spending by using the best resources for your health concern or condition. Know when to see your primary care physician, visit a convenience clinic, or when to head to the emergency room. Make sure you're getting the most for your money and time when it comes to your health care.

Telehealth

Use telehealth when you have a minor medical concern and need to see a doctor quickly from anywhere. With telehealth, you can speak to a doctor in just a few clicks on your smart phone or tablet. While your health care should always start with your primary care provider, telehealth is available when your doctor may not be and is less expensive than a typical office visit. Telehealth is designed for non-emergent medical problems such as cold or flu symptoms, allergies, sinus infections, or sprains.

Primary Care

Visit your primary care physician annually for a check-up, for treatment of a chronic condition, and any time you want to see a doctor who knows your history and has access to your medical records. Primary care physicians typically require appointments and are not available nights and weekends, so you'll need to plan ahead. Remember, annual preventive care screenings with your primary care doctor are covered at no cost to you.

Urgent Care

Visit urgent care when you have a pressing medical concern, but not an emergency. Urgent care is the best fit for sprains, strains, minor broken bones, minor infections, small cuts that need a few stitches, minor burns and x-rays. Urgent care facilities are commonly open on nights and weekends. Plan ahead and find an urgent care close to you so that you have a plan for problems like these before they arise.

Emergency Room

Emergency rooms are designed to treat life-threatening incidents. However, the most-commonly diagnosed condition in ER patients is the common cold. This causes emergency rooms to become overcrowded and deliver care less efficiently because they are busy with patients who have routine illnesses and not emergencies. If you visit the emergency room when you are not having an emergency, you'll have a long wait and you'll pay the most out-of-pocket. So, make sure you only use this option when you are experiencing an emergency.

Health Savings Account

How It Works

If you enroll in the UHC HDHP plan, a Health Savings Account (HSA) will be opened for you through **Health Equity**. For those of you who may already have an HSA account, you will have the ability to roll over funds into the new account, should you choose to do so.

Contributions, earnings and withdrawals that are used for qualifying expenses are tax-free. Here's how the account works:

Make Contributions

You can set aside pre-tax money through payroll deductions up to IRS limits. The 2023 IRS contributions limits are \$3,850 for employee-only and \$7,750 for all other coverage, plus \$1,000 annual catch up contribution for those over age 55.

NEW for 2023!

DBMG will be making an annual employer contribution of \$400.00 (Employee only coverage) and \$800.00 (Employee + dependents or Family coverage). The employer contribution will be split with deposits being made in January and in July. You must take this into consideration when determining your maximum annual contribution. Total contributions (employee and employer) cannot exceed the IRS maximum.

Use Your Funds

You can use your funds to pay for eligible medical, dental and vision costs now or in the future. View a full list of eligible expense at www.irs.gov. You can pay for eligible expenses out-of-pocket and reimburse yourself from your HSA savings at a later date or, you can pay with a HSA debit card.

Save your Funds

You can also use your account as a savings account. The account is yours, even if you leave the company, and your funds will roll over each year accruing interest tax-free. When your account balance reaches a specific threshold, you can invest your funds.

Are you eligible?

You are eligible to contribute to an HSA if:

- You are enrolled in the HDHP medical plan
- You are not covered by your spouse's health plan or flexible spending account (FSA)
- You are not eligible to be claimed as a dependent on someone else's tax return
- You are not enrolled in Medicare, TRICARE, TRICARE for life or received Veterans Administration Benefits

Wondering how much to save?

What you save in your HSA is up to you and your budget. Here are a few strategies:

- **To see the biggest tax advantage**, max out your contributions up to the 2022 federal IRS limits.
- **To be prepared for a rainy day**, set aside enough each month to fund the annual deductible or out-of-pocket maximum. That way, you have funds available should you be faced with big medical bills.
- **To simplify your savings**, set aside \$10 per paycheck per enrolled family member. For a family of four, that will give you about \$1,000 set aside each year to help you cover the cost of an unexpected doctor's visit or a monthly generic medication.

Flexible Spending Account

NEW for 2023, DBMG will offer additional tax savings accounts with our Flexible Spending Accounts (FSAs) through **Health Equity**. The FSAs enable you to set aside money, on a pre-tax basis, into an account to pay for eligible health or dependent care expenses. By setting aside money pre-tax, which you would normally be spending post-tax, you save between 25% and 40% on your everyday expenses. You must re-enroll in this program each year.

	Health Care FSA	Limited Medical FSA	Dependent Care FSA
Eligible Expenses	Most medical, dental and vision expenses (such as health plan deductibles, copays, coinsurance, prescriptions, and other eligible healthcare expenses).	Most dental and vision expenses that are not covered by your health plan (such as copays, coinsurance, deductibles and eyeglasses). Available to those enrolled on the HDHP with HSA plan.	Child daycare or after-school care expenses for a child under age 13 or care for a spouse, or adult dependent, incapable of caring for him or herself.
Annual Contribution Limits	\$3,050 Must contribute at least \$150, not to exceed \$3,050. Funds are available to use as of January 1.	\$3,050	\$5,000 If you are married and file separate tax returns, the maximum you can contribute is \$2,500.
Benefit	Reduces your taxable income.	Saves on eligible expenses not covered by insurance. Reduces your taxable income.	Allows you to allocate savings towards daycare while reducing your taxable income.

Make Contributions Your set aside pre-tax money through payroll deductions up to the IRS limits, which helps to reduce your taxable income.

Use Your Funds You can pay for eligible expenses out-of-pocket and reimburse yourself from your FSA savings at a later date or, you can pay with a convenient FSA debit card. View a complete list of eligible funds at [irs.gov](https://www.irs.gov).

Don't Lose Your Funds The money you set aside must be used during the plan year – it will not roll over into your account. Any money left in the account will be forfeited.

- In order to receive pre-tax dependent care benefits, both employee and spouse must be employed, be seeking employment or attending school full-time. If your spouse does not work or attend school full time, you are not eligible for this benefit.
- Your elections cannot be changed during the plan year, unless you experience a qualifying life event.
- If you have an open HSA, you are not eligible for an FSA, only the Limited Purpose FSA.
- Keep your receipts as proof that your expenses were eligible for IRS purposes.

Voluntary Worksite

Voluntary Worksite benefits are intended to pay you cash directly to assist you in paying medical bills, living and other expenses while out of work due to an accident, critical illness, cancer diagnosis or a hospital stay.

Please visit the LiveWise benefit site at <http://LiveWise.info> for full coverage details and rates.

Accident – Administered by Trustmark

Accident insurance helps you pay for medical and other out-of-pocket costs that you may incur after an accidental injury. This includes emergency treatment, hospital stays, medical exams, as well as other expenses you may face such as transportation and lodging needs. The plan covers all accidents on and off the job.

Critical Illness with Cancer – Administered by Trustmark

This coverage pays a lump-sum benefit following the diagnosis of a critical illness, like a heart attack or stroke. Critical Illness insurance is supplemental coverage that can complement your health insurance and help cover your out-of-pocket expenses.

Hospital Indemnity – Administered by Trustmark – (Previously administered by Manhattan Life)

Hospital Indemnity coverage serves as a companion to your medical benefits to take the financial sting out of a hospital stay. It provides you with a lump-sum benefit that can help you pay the costs from a hospital stay, your health plan deductible, or for any other out-of-pocket costs you may incur.

Universal Life with Living Benefit for long-term Care – Administered by Trustmark

The Universal Life policy is permanent life insurance that has death protection to age 100 plus a cash value equal to the face amount. It has a unique feature called the Living Benefit for long-term Care Rider that provides coverage for long-term care if an individual is unable to perform two activities of daily living like feeding yourself or bathing yourself. Spouse and child coverage is also available.

Dental Core Plan

There are no changes to the core dental plan or rates for the 2023 plan year! Although Delta Dental allows you to visit any provider you like, staying in the **PPO Network** and **Premier Network** will provide you with the highest level of benefits. Your doctor and the insurance company will work together to determine how long benefits are payable, based on your condition.

- Weekly Benefit: 60% of your total weekly earnings up to \$1,200
- Benefits begin 0 days for Injury / 7 days for Illness
- Benefit Duration: 13 weeks

Company-Paid Long-Term Disability – Administered by Mutual of Omaha

LTD coverage pays you a certain percentage of your income if you can't work because an injury or illness prevents you from performing any of your job functions over a long period of time. It's important to know that benefits are reduced by income from other benefits you might receive while disabled, like workers' compensation and Social Security.

- Monthly Benefit: 60% of your monthly earnings up to \$10,000
- Benefits begin after 90 days
- Benefit Duration (if disabled prior to age 62): Benefits continue until age 65 if you remain disabled.
- Benefit Duration (if disabled at age 62 or older): Benefits continue until your Social Security Normal Retirement Age if you remain disabled.

Mutual of Omaha Resources

Employee Assistance Program

We know you work hard to support yourself and your family. We also know that life doesn't always go according to plan. That's why we are pleased to offer a vitally important benefit called the **Employee Assistance Program (EAP)**.

Employees can receive up to six (6) **FREE** face-to-face counseling sessions in the area you live. It even includes additional services like legal/financial advice and help finding childcare, all to help you manage your busy lifestyle.

Will Preparation

Creating a will is an important investment in your future. It specifies how you want your possessions to be distributed after your death. Whether you're single, married, have children or are a grandparent, your will should be tailored for your life situation.

You have access to the following free documents:

- Last Will and Testament
- Power of Attorney
- Healthcare Directive
- Living Trust

This free online interactive tool helps you and your family members create a will and other legal documents.

Worldwide Travel Assistance

When you travel 100 miles or more from home on company business or vacation, emergency medical and travel services are available. Translation / interpretation services, and emergency medical evacuation assistance are some of the services available to you.

- For Inquiries within the U.S. call toll free: **800-856-9947**
- For inquiries outside of the U.S. call collect: **312-935-3658**

Nationwide Pet Insurance

DBMG is pleased to continue offering Nationwide Pet Insurance. This is a great way to demonstrate how much you value every member of your family – even the four-legged ones.

Easy Enrollment

There are three simple ways for you to sign up for the voluntary pet insurance benefit:

1. Go directly to the dedicated website we've created: <https://benefits.petinsurance.com/DBMGGlobal-GrayWolf>
2. Visit PetsNationwide.com and enter the company name: DBMGGlobal-GrayWolf
3. Call (877) 738-7874 and mention you are an employee of DBMG to receive preferred pricing.

You can then select the species (dog or cat)*, provide your zip code and pick your plan!

**To enroll your bird, rabbit, reptile or other exotic pet, please call (888) 889-4874*

GlobalFit

DBMG has partnered with GlobalFit to give you direct access on savings and convenient terms for thousands of gyms across the country. This includes big chains and local favorites. You'll get exclusive member discounts on a variety of nutrition programs and home equipment, including NutriSystem, Total Gym and Zumba DVDs. Visit globalfit.com/DBMGGlobal or call (800) 294-1500.

Business Travel Accident Insurance – Company Paid Benefit

Through Chubb Accident & Health, you have access to 24/7 Business Travel Accident insurance. This coverage can help fill coverage gaps, at home and abroad, by providing travel assistance and services, which range from lost luggage to identity theft to medical and legal referrals, emergency transportation, and even dispatching medical specialists. You also receive services for medical evacuation and repatriation and out-of-country medical coverages.

This insurance also covers the traditional AD&D coverage, which pays a lump sum for accident loss of life, limb, sight, speech or hearing. Visit chubb.com/claims/accident-health.html for more information or call (800) 252-4670. You can find the full plan summary with details on Paycom.

Working Advantage

Working Advantage is a discount program that can help you save up to 60% on tickets, travel and shopping. Exclusive discounts include:

- Entertainment: movie tickets, theme parks, hotels, museums, zoos and more
- Theatre and Events: Broadway shows, family events, concerts and sporting events
- Shopping and Gifts: select online retailers for apparel, books, music, electronics, flowers and more

Visit workingadvantage.com for more information. You must register first by clicking "Employees Click Here" and then enter Member ID # 572475466.

Verizon Wireless

You may be eligible for an 18% discount from Verizon Wireless. Start by logging on to verizonwireless.com/discounts. Verizon requires validation of your employment at DBMG in two ways: your email address or paystub/other proof of employment or affiliation. Visit <http://bit.ly/EmpDiscount> for Discounts and Employment Validation FAQs.

401(k) Plan

When you join the 401(k) plan, your contributions and investment earnings all work toward the same goal: a secure financial future.

Eligibility

You are automatically enrolled at 6% of your salary in the 401(k) plan, approximately 30 days from your date of hire. You may change your contribution rate at any time. You are fully vested after 2 years of employment.

Growing Your Account Balance

Contributions

You can contribute from 1% - 100% of your pay to the Plan (up to \$22,500 for 2023). If you turn age 50 during the year, you can contribute an additional \$7,500 to the Plan in 2023.

Roth 401(k)

Allows you to save money in your retirement account through payroll deductions on an after-tax basis. This means that you pay current taxes in the year contributions are made, and withdrawals of earnings and contributions are income tax free, provided you are at least age 59 ½ and the account has been open for at least five years.

Employer Match

The company matches 100% of the first 3% you contribute, and 50% of the next 2% you contribute. Please note, you must be employed for at least 2 years to keep any company matching contributions.

Investments

You have a variety of investments to choose from. You can either “build your own portfolio”, select a “pre-built portfolio,” which is an investment option that is based on your expected retirement age (called “Target Date Funds”), or you can select the plan’s professionally managed investment solution (called “Target My Retirement”).

To Manage Your Account or Enroll

Go to www.principal.com or contact the Principal Customer Service Center at (800) 547-7754.
